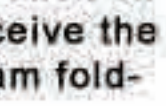
Facebook: A How To Sign Up and Become A Fan Guide

1. Type www.facebook.com into a browser.
2. On the right hand side you will see Sign Up. Fill out the information into the form and click the green sign up button.

3. A security Check will appear. Enter the words you see into the text box and click the green sign up button again.
4. A confirmation will be sent to your email address. Open the email and follow the link provided to activate your Facebook page.
5. The link will show that your email address is valid. Steps will come up where you can find friends, update your profile information, and join a network. We want to skip these steps for now by clicking skip this step at the bottom right hand corner.
6. A page will come up to welcome you to Facebook. Do not pay attention to this. Instead, look at the top navigation all the way the right. You will see your name, settings, logout and then a search textbox. Type in "Web Video Vision" into the search textbox.
7. A new page will display the Web Video Vision link. Become a fan.
8. From there you will be able to view all updates from Web Video Vision on your Facebook page.

YouTube: A How To Sign Up and Subscribe

1. Type http://www.youtube.com into a browser.
2. On the top left you will see the words sign up, click this.



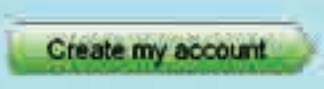
3. A new page will load asking you to create your new YouTube account. Fill out the form. Be sure to check the box that you agree to the term of use and private policy. Then click Create my account.
4. A confirmation email has been sent to your email address. Please click on the link in the email to verify your email address. If you do not receive the message within a few minutes, please also check your bulk or spam folders.
5. Once your email address is verified you can now search for YouTube pages. Type in http://www.youtube.com/WebVideoVision and click the orange subscribe button on the top left.

6. You are now subscribed to Web Video Vision.

Twitter: A How To Sign Up and Become A Follower Guide

1. Type http://www.twitter.com into a browser
2. Once the website is loaded, find and click the green get started—Join! button

3. Fill out the form. When finished click the green Create my account button



4. A new page will load called See if your friends are on Twitter. Click skip this step at the very bottom of the page.
5. The new page will ask you to sign into twitter using the username and password you came up with. When finished click sign in.
6. A page called: "Look who else is here. Start following them!" will load. We want to skip this step by clicking at the bottom of the page under the finish button Skip this step.
7. You are now on twitter! We now want to find people, specifically Web Video Vision. Type in **https://twitter.com/webvideovision** into a browser.
   This is Web Video Vision's twitter page. Under their logo is a button called Follow. Click it.

8. From there you will be able to view all updates from Web Video Vision on your twitter page.
